Our sincere thanks to our community for the continued support of GPPD in our efforts to best serve the city. The men and women of my department continue to impress me with their work ethic and commitment to service and professionalism.

In 2013, we continued to see excellent productivity in all areas of our department and another crime decrease, which now totals an over 30 percent reduction since 2010.

In addition to the continued crime decrease last year, we also had several notable departmental achievements including being awarded an International Association of Chiefs of Police (IACP) Community Policing Award and becoming a recognized Texas Police Chiefs Association Best Practices Agency. We collaborated with the fire department in establishing a SWAT Medic Program and are very proud of our Citizens on Patrol (COP) program, which won the State award for best COP program in a major city.

Last year, we continued our focus on enhanced safety through numerous crime prevention initiatives, which garnered several awards, as well as the passage of a No Texting While Driving Ordinance. We graduated 14 police recruits from GPPD Academy Class #2 and are pleased that we continue to attract and train quality applicants to serve our community.

In 2013 and moving forward in 2014, the Grand Prairie Police Department will continue to focus on providing high levels of service and partnering with our community to maintain a safe environment with a high quality of life. We are extremely grateful for the outstanding community support we receive from our citizens, elected officials, city administration, other city departments, business and school district partners, and faith-based organizations.

Through working together as community partners we will continue to ensure Grand Prairie is a great place to live, work and play!

Sincerely,

Chief Steve Dye
TOP ACCOMPLISHMENTS
