Mission
The Grand Prairie Police Department is dedicated to service and partnering with our community to maintain a safe environment with a high quality of life.

Values
COMMITMENT To service through community partnerships, innovation and a holistic approach to policing.
PRIDE In our appearance, in our professionalism and in safeguarding our community.
RESPECT For our profession and for those we serve.

Motto
We Protect and Serve
Welcome to the Grand Prairie Police Department's 2018 Annual Report. We hope you find this information helpful and we appreciate your continued support toward delivering the highest level of service to our outstanding city. I am honored to lead such a great team who has dedicated their professional lives to the service of our community so that we may all enjoy a very high quality of life and a safe place to live, work, and play.

In 2018, the continued partnership between GPPD and our community stakeholders led to a historic crime decrease! From 2010 to 2018, major crimes in Grand Prairie have fallen by 47% and dropped 19% from 2017 to 2018. This very significant reduction has now solidified our city as the 7th safest large city in Texas. It is certainly something for us all to be very proud of as GPPD, our engaged citizenry, city management, volunteers, and extremely supportive elected officials have exemplified teamwork to achieve a very notable return on investment. Our Department was at the forefront last year, in the entire nation, in the implementation of an evidence-based policing model, which was a major driver in the aforementioned crime decrease.

Last year in addition to maintaining a very safe community, we expanded our technology footprint through the implementation of Facial Recognition to more effectively identify potential suspects in major crimes and through the evolution of a Real Time Crime Center toward enhanced crime deterrence and prevention. Our ongoing efforts to scan the environment and increase efficiency for our citizens carried on with the reduction of the DWI processing time, leading to increased DWI arrests, and the creation of an Electronic Arraignment Process toward increased efficiency and safety for inmates and employees. Our community programs, in further support of our Community Policing philosophy, continued to thrive as witnessed in our Airbus Blue Red Run and donation of over $26,000 for the creation of a scholarship for the children of Texas Fallen Officers; inaugural car show fundraiser for Children First; 17th annual MotorCops for Kids Motorcycle Toy Run, which donated another $20,000 to the Shriners Hospitals for Children; and our Santa Cop distribution of gifts to over 700 needy families at Christmas time. As the number of calls involving mental health assistance increase, GPPD took the innovative step of adding a certified Mental Health Coordinator to our Department. This civilian professional works alongside designated police officers to help those in chronic need of mental health services, and their families, to help avoid moments of crisis. The implementation of the Teacher’s PET (Preparedness and Emergency Training) program with GPISD is another example of collaboratively working to keep our children safe. Our volunteer programs excelled, once again, with our Citizens On Patrol program winning the award for Best Large Agency Program in Texas for the fifth time! Our Department has been blessed to continue to attract the best and brightest recruits to serve our citizens as eight officers graduated from GPPD Academy Class #7 in 2018.

I am looking forward to another great year for all of us in 2019 and we continue to be thankful for the community support we experience every day. We, at the Grand Prairie Police Department, will continue to commit ourselves to engaging with our community members and innovating to most effectively serve. As your Chief, you have my continued promise to do our very best to facilitate a superb environment for all who live, visit, and work in Grand Prairie.

Sincerely,

Chief Steve Dye
